**Guest Speaker—Bubba Dowling
Strongman**

Being ridiculed by his own family from a very early age put Bubba in a suicidal state of mind by the 8th grade. By the time Bubba was willing to give his life up to Jesus, he had tried everything you can imagine to fill the emptiness he felt inside. Measuring 6'3" and weighing in at 395 lbs., Bubba currently holds state and regional Powerlifting Records in various federations, and American and World Records in the AAU. Bubba is currently ranked 11th in the Bench Press @ 740 pounds, 11th in the Total @ 2232 pounds, and 22nd in the Squat @ 821 pounds. Don't miss this opportunity to be challenged and changed!
